Thursday, March 22nd, 7 pm

**Short Beach Community Room
at the Orchard House Adult Center
421 Shore Drive in Short Beach**

Hear fascinating facts about this beautiful and remarkable bird which graces Branford and East Haven with its presence each year. View beautiful photos by local nature photographers Diane Hull and Robert White. Discuss the causes of the near disappearance of this species from Connecticut and its remarkable comeback. Learn about the work of FFRE and the Branford Land Trust to protect habitat and provide nesting sites for Osprey calling our neighborhood home.
